

Ashok Mysore

Vice President

Regional Head - Delivery & Operations

Infosys Limited

Australia & New Zealand

Ashok Mysore has over 30 years of industry experience across Telecommunications, Financial Services, Logistics, Energy, Utilities and Services industries. Ashok as **Vice-President and Regional Head for Australia and New Zealand**, is responsible for developing a performance driven culture among a group of diverse and talented individuals to achieve accelerated profitable growth in challenging markets by delivering value while continuously improving internal efficiencies.

Ashok joined Infosys in 2004 to lead the Telecommunications business and since has held numerous roles before taking up the Regional COO role in 2014 to lead delivery and operations across Australia and New Zealand. Ashok has wide experience in strategy, sales leadership, general management and consulting across Australia, New Zealand, the United States, India and South-East Asia.

Ashok is recipient of IABCA Business Leader of the Year 2019 Award that recognizes outstanding achievements of a business leader. Ashok sits on multiple advisory boards, customer steering committees and program boards, has been actively involved with the Australian Computer Society and is a regular speaker amongst industry, academia and partner ecosystem.

Ashok completed his Executive Leadership Program from the Stanford Graduate School of Management, has an MBA in Strategy & Leadership from the Mt Eliza Business School (University of Melbourne), and a Bachelor's degree in Computer Science & Engineering.

Ashok is based in Melbourne.
